50th Anniversary Celebration

A Year In Review

COMMEMORATIVE EDITION

City of Santa Fe Springs

January 2008

A Letter to the Community

Well, it's hard to believe that it was only a year ago that we kicked off the City's 50th Anniversary Celebrations with the City's very own entry in the 2007 Tournament of Roses Parade. Earlier this month, the City returned once again to the streets of Pasadena to show off our civic-pride and tremendous sense of community spirit. As if two Rose Floats in the span of one year wasn't enough, the flurry of activity that occurred between them was truly amazing, and a wonderful tribute to the City's rich history.

Since its incorporation, Santa Fe Springs has always been "The Place To Be." The City's Golden Anniversary Year of 2007 proved that Santa Fe Springs was also "The Place To Celebrate"... and celebrate we did... in "golden" fashion. Of special note was the star-studded, 50th Anniversary Parade and Community Carnival in May. We on the City Council want to thank you for helping make our 50th Anniversary truly one for the ages.

Literally hundreds of our residents volunteered and thousands attended the multitude of events that occurred throughout the year. Each one of you is a living testament to that which makes Santa Fe Springs such a unique place... as much as society has changed around us over the last 50 years, the people of Santa Fe Springs are still the same... hardworking, dedicated to their family and friends, and committed to making Santa Fe Springs the best community it can be. Please enjoy this Special Anniversary Edition, which reflects back on the past year. May the New Year bring you health and prosperity.

Your Santa Fe Springs City Council
