Coronavirus (COVID-19) Important Notice:

Please be advised that due to these directives, some of the meetings, programs and activities promoted in this guide may be canceled or modified. Gathering for the Holidays?

Fall and winter celebrations, such as Thanksgiving, Hanukah, Kwanzaa, Christmas, and New Year’s, typically include large gatherings of families and friends, crowded parties, and travel that may put people at increased risk for COVID-19.

Before you celebrate, please note the following recommendations from the Centers for Disease Control and Prevention.

Hosting a holiday gathering

If you will be hosting a celebration, follow CDC tips for hosting gatherings. Below are some additional considerations for hosting a holiday celebration:

• Host outdoor activities rather than indoor activities as much as possible. If hosting an outdoor event is not possible, and you choose to host an indoor event, avoid crowded, poorly ventilated, or fully enclosed indoor spaces. Increase ventilation by opening windows and doors to the extent that is safe and feasible based on the weather.

• Host activities with only people from your local area as much as possible.

• Limit numbers of attendees as much as possible.

• Provide updated information to your guests about any COVID-19 safety guidelines and steps in place to prevent the spread of the virus.

• Provide or encourage attendees to bring supplies to help you and others stay healthy. For example, bring extra masks (do not share or swap with others), hand sanitizer that contains at least 60% alcohol, and tissues.

• If you are planning in-person holiday gatherings with people outside of your household, consider asking all guests to strictly avoid contact with people outside of their households for 14 days before the gathering.

Attending a holiday gathering

If you will be attending a celebration that someone else is hosting, follow CDC Considerations for attending an event or gathering. Below are some additional considerations for attending an in-person holiday gathering:

• Outdoor activities are safer than indoor activities. If participating in an outdoor event is not possible, and you choose to attend an indoor event, avoid crowded, poorly ventilated, and fully enclosed indoor spaces. Increase ventilation by opening windows and doors to the extent that is safe and feasible based on the weather.

• Check with the event host, organizer, or event venue for updated information about any COVID-19 safety guidelines and if they have steps in place to prevent the spread of the virus.

• Bring supplies to help you and others stay healthy. For example, bring extra masks (do not share or swap with others), hand sanitizer that contains at least 60% alcohol, and tissues.

• If you are planning to attend in-person holiday gatherings with people outside of your household, consider strictly avoiding contact with people outside of your household for 14 days before the gathering.

Holiday travel

Traveling increases the chance of getting and spreading COVID-19. Staying home is the best way to protect yourself and others. Use information from the following webpage https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/holidays.html to decide whether to go on holiday travel:

• Travel During the COVID-19 Pandemic

• Know Your Travel Risk

• Know When to Delay Your Travel to Avoid Spreading COVID-19

If you decide to travel, follow these safety measures during your trip to protect yourself and others from COVID-19:

• Wear a mask to keep your nose and mouth covered when in public places.

• Avoid close contact by staying at least 6 feet apart (about 2 arms’ length) from anyone who is not from your household.

• Wash your hands often with soap and water for at least 20 seconds or use hand sanitizer (with at least 60% alcohol).

• Avoid contact with anyone who is sick.

• Avoid touching your eyes, nose, and mouth.

Whittier Police Department Celebrates 25 Years of Service to the City of Santa Fe Springs

October 1, 2020 marked the 25th anniversary that established the partnership between Santa Fe Springs and the Whittier Police Department to provide police services in the City. For the past 25 years, the Whittier Police Department has strived to uphold their reputation of building successful community relationships with residents and business residents while maintaining a safe environment for all. Currently, the Whittier Police Department is the only law enforcement agency in Southern California that provides policing services to a neighboring city.

The City of Santa Fe Springs and Whittier Police Department are eager to upkeep the successful working relationship they have created for the next 25 years to come. The City congratulates all that were involved in the initiation of this partnership that is both unique and well respected throughout the region.

Despite the challenges faced by the global pandemic, the City of Santa Fe Springs has adapted outreach efforts to help ensure a complete, fair, and accurate Census count. Since our efforts began prior to the restrictions caused by Covid-19, we had an opportunity at the very beginning to connect with the community in person. Following the County and State closures in April, our Census outreach efforts transitioned towards strategies that adhere to the “safer-at-home” order.

To help make our efforts unique to Santa Fe Springs, the Complete Count Committee created a custom Census logo that was used throughout our outreach campaign. Our 2020 Census logo was placed on vehicle magnets and pins worn by staff and elected officials. In the limited time that we had to conduct in-person outreach, the Complete Count Committee presented Census information at several public meetings, advisory committees, and also hosted a pop-up event at the City's Penny Carnival and in front of the local Walmart store. In our best efforts to limit contact with the community, additional outreach efforts included: bilingual flyers, articles in the City Newsletter, messages in the water bill, messages on billboards along the I-5 freeway, notifications and various City Council videos on the City's website, a caravan event, and our most useful modern resource, social media.

The results of your contribution will not only determine our representation in Congress and redistricting at all levels of government, but also determine how over $675 billion is spent every year on education, healthcare, housing, transportation, and other vital programs. The City of Santa Fe Springs would like to say THANK YOU to each and every one of our community members who took the time to complete their 2020 Census questionnaire and more importantly, BE COUNTED!

Photo features members of the original Santa Fe Springs policing team who are still proudly wearing the WPD patch.

General Plan Update: Reimagine Santa Fe Springs!

The Planning Department invites you to “Reimagine Santa Fe Springs” as it embarks on the first comprehensive General Plan update in over 25 years. The General Plan represents the community’s view of the future and serves as a blueprint for growth and development. The General Plan touches many topic areas, such as where housing can be built, where new commercial businesses are needed, how the road network can better accommodate cyclists and pedestrians, how parks can be improved, and how public safety is addressed in our daily activities, including exposure of people to noise and air pollutants.

Input from the community is essential for a successful General Plan update. You represent the future of Santa Fe Springs and we want to hear your ideas for how the city might change over the next 20 years. Thus far, we have hosted four General Plan Advisory Group Meetings and a Community Virtual Workshop. Our second Community Virtual Workshop will be Thursday, November 5th from 6-8 p.m. This online workshop will be a fun and informative way to discuss planning for the future. Plus, every participant will be entered into a raffle to win gift cards to local businesses!

To learn more, visit the General Plan Update website at https://reimaginesantafesprings.org. We look forward to hearing from you!
